Dear Friends:

St. John Ambulance performs its community service without the assistance of government funding or United Way. We occasionally host special events designed to be fun and engaging where the proceeds are used to support our community work dedicated to saving lives, reducing injuries, ensuring the safety of car seat age infants and children, developing community responsible youth and improving quality of life.

If you would like to be informed about these events **twice a year** for business advertising, networking or personal reasons, please check the box below and return via fax or mail along with your donation.

Thank you for your continued support.

- Please add me to your special event bulletin list.*
St. John Ambulance does not sell or give its contact list to any outside individuals or companies.
